The JRose Experience is a talk show that showcases a unique and intimate perspective on artistry, life, romance and new age entrepreneurship from the perspective of Poets. Hosted by Spoken Word Poet & NYC native, JRose, the show is jammed packed with interviews, performances, creative games and deep discussions. Since it's launch in March 2020, the show has expanded its focus from Poets in NYC to highlighting Poets in other cities. Season 2: ATL Edition was released in September 2020, Season 3: Philly Edition premiered in February of 2021 and in the Fall of 2021, the show is launching Season 4: Tampa Edition.

The JRose Experience serves a well balanced plate of entertainment and thought provoking conversations that audiences are looking for. Our mission is to produce content that promotes an exchange of artistic energy and fresh ideas. We're dedicated to providing opportunities and representation for minorities in creative fields through 'made for streaming media'. The show is headed in a trajectory that will make Poetry a household name in cities across the US and beyond. We're looking for businesses and entrepreneurs to advertise their brand to our growing audience. Join the journey and expand your reach with us!
